Convened at 3:30 pm

Present: Ken Christiansen, Chairman
Jeffrey Bryan
Jane Byrne
Andrew Artimovich

Clement said she received a call from Sally Lufkin that there was a hole in the Mill Road Bridge. Robinson has been out to inspect it and has closed the road. Bryan said the hole is about 2.5' wide and 6' deep. Robinson is going to cover the hole with $\frac{3}{4}$ inch plywood and make the repairs in the morning. Bryan suggested cutting the asphalt, dig down, fill with slurry and gravel, and then patch the pavement. Robinson will place jersey barriers to close the bridge until all repairs are made.

Motion to adjourn at 3:40pm made by Bryan, 2nd by Byrne; all were in favor.

Respectfully submitted,

Karen Clement
